

Structural Commercial Brine Tanks

for Brine and Chemical Storage

The rotomolded tank of choice for hard-working commercial environments. Black color affords natural UV protection. Durable FDA-approved materials offer exceptional stress-crack properties for years of trouble-free service. Quality production technology provides peace of mind.

Benefits

- Attractive styling
- Heavy-duty design
- Rotomolded from FDA-approved materials
- Rigid, high-impact, non-toxic polyethylene
- Exceptional resistance to stress cracks
- Provides years of trouble-free service
- Optional molded salt grid promotes uniform brining and reduces salt bridging
- Can be shipped with other water treatment components to reduce total shipping costs
- Shipped in a durable re-shipper carton
